

Our Common Cloud  
by Eric Baus  
transcribed by Steve Evans

2.334693877	0.765772	(01) our common cloud
5.478820861	0.290067	(02) i have been a patient painter
8.027210884	0.357661	(03) my sister
9.566984126	0.98893	(04) a watcher of snow
11.535963718	0.310933	(05) she thought her name would be stunned
14.013242630	0.345905	(06) and it was
15.325895691	0.356681	(07) it was isis versus the blur
18.716371882	0.347864	(08) it hurt to see the same snow twice
21.851428571	0.35002	(09) i was also   or minus   or gauss
25.728072562	0.356387	(10) i think we are being minted again
28.509750566	0.323864	(11) i think we are cotton or bread
31.591836734	0.325137	(12) there's always a different cost
33.982403628	0.335227	(13) a different cloth
35.561360544	0.335227	(14) a second coat
37.372517006	0.376274	(15) it takes some time in the positive press
40.925170068	0.330133	(16) we practiced our transfers today
43.943764172	0.285364	(17) isis is incest
45.836190476	0.274295	(18) or bluing the sky
48.065306122	0.214342	(19) helio
49.063764172	0.317496	(20) helio threa[t/d]s
51.072290249	0.314655	(21) she likes to call them dousing crowds
53.905124716	0.404977	(22) i trace
55.008072562	0.341889	(23) i see parallel rays
